

You can choose two types of contract:

1. The weekly contract with special pricing is subject to a weekly payment. This discounted weekly contract rate guarantees your child's space in our center

Note: If your child attends for a day or less, you will receive a 50% discount for the week. However, if the child attends 2 days or more in the week, you will be charged for the entire week.

2. The drop-off contract, allows the flexibility to pay only what you use. The flat daily rate is \$55 and it does not guarantee the child's space in our center. Both contracts require a two (2) week notice for any changes.
